

Looking Ahead with Confidence

(Funeral Preparedness Workshop)

You are going to die. This is not a threat of violence or in any way meant to be mean, it is a simple fact. You are going to die! I am going to die. We are all going to die, to breathe our last breath – unless judgment day comes during our lifetime.

Are you ready?

“Looking Ahead with Confidence” is a workshop designed to prepare you for several aspects of your pending death or the death of a loved one. We will cover financial, logistical, practical, musical, and of course, spiritual preparedness.
